(A) Except as provided in subdivision (b)(1)(B), the standards established pursuant to subsection (a) apply to municipal, county, state and private buildings, including one-family and two-family dwellings, unless otherwise provided by statute.

(B)

(i) With respect to the application of subsection (a) to one-family and two-family dwellings, the governing body of each municipality and a county may adopt a resolution of its governing body to exempt their municipality or county, as appropriate, from the application of such standards to one-family and two-family dwellings within their respective jurisdictional boundaries; provided that, any action by the county legislative body concerning the implementation of this subdivision (b)(1)(B) shall be limited to the jurisdictional boundaries outside any municipality located within such county.
